Grace Gala

The Grace Gala is the largest fundraising event our school holds. It is an event that brings in much needed funds for the school, usually around \$40,000.

We will be giving everyone the opportunity to stop by Cleary Hall to view the items and place their bids. Auction items vary in cost. There is something for every budget. More information will be coming!

If you would like to personally donate money or an item for the auction, you may still do so, just contact the office at 309-755-9771.
